Community Activities

I am a member of organizing committees and reviewer for over 60 international scientific conferences, journals, and funding organizations and active in standardization (W3C, IETF). My editorial roles include serving for the **Proceedings of the ACM on Interactive, Mobile, Wearable and Ubiquitous Technologies** (Assoc. Editor since 2021), **IEEE Pervasive Computing** (Guest Ed. since 2017, Ed. Board since 2019), **Wiley Internet Technology Letters** (Exec. Ed. 2017–2023), **ACM Transactions on Internet Technology** (SI Ed. in 2023). With respect to conference organization, I have made large contributions to the **International Conference on the Internet of Things** (Steering Committee: 2017–Today; Organizer: 2021; PC Chair: 2017; Workshop Chair: 2016); **International Workshop on Hypermedia Multi-Agent Systems** (Co-Organizer: 2019–2020); **International Workshop Series on the Web of Things** (Co-Organizer: 2012–2017); **International Joint Conference on Pervasive and Ubiquitous Computing** (SVC: 2013). In 2024, I have been nominated as one of three finalists for the Award for **Best Teaching** at the University of St. Gallen.
